

Task 1 Read Me:

Include Files:

Task 1 using R (Meman Diaby): This folder contains an R script to perform task 1. There is also a pdf document containing the graphs that the code produces.

Task 1 (Using Stata) (Meman Diaby): This folder contains a STATA do-file to perform task 1. There is also a pdf document containing the graphs that the code produces.

Note:

The R script and Stata do-file contain precise information about the simulation creation process.
